Dear Mr. Weisberg,

I have finally gotten around to filing away the source material on which my book, MAFIA KINGFISH, is based. In one of the folders for Part VII I found the enclosed letter from you to Mr. Jack Wasserman. I recall that it was included in a batch of xeroxed FBI documents related to the JFK assassination located in your files by researcher Amy Stevens. Specifically the documents were concerned with certain allegations made about Carlos Marcello and members of his family and associates.

Yours Sincerely,

John H. Davis
